Number of surveys returned	20	51	44
Percent satisfied with learning environment	95%	94.1%	93.1%
Percent satisfied with social and physical environment	95%	88%	88.7%
Percent satisfied with school-home relations	100%	94.1%	93.2%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

A community of learners dedicated to student achievement.

Purpose: The purpose of Carolina Elementary School is to promote academic excellence in each student's life and to establish positive relationships with the entire learning community.

The steps that we take today lead to the successes of tomorrow.

PASS Goals: We are delighted to announce that Carolina Elementary met all the student achievement goals based on Palmetto Assessment of State Standards (PASS) results. Our state report card score was: Excellent (Absolute) and Excellent (Improvement). Our ESEA/Federal Accountability Rating was an A. We received the Palmetto Gold Award from the State Department. The data is posted on the district website (darlington.k12.sc.us) and the state website (scde.com). Honors: Carolina was honored as District Clean School of the Year for 2012-2013 for the second year. Forty-six fifth graders were inducted into the National Junior Beta Club this year. These students have an academic average of 90 or above and will be able to join the Beta Club at Hartsville Middle School next year. Nine fifth grade students made All As for all five years at Carolina.

Activities: In October, we enjoyed two family activities: the Coker 5K run for any student and parent who wanted to participate, for which we won the trophy for the most participants, and our annual Parent Picnic where all parents are invited to eat a picnic lunch outside with their child. In November, during American Education Week, grandparents joined us in a school tour, took part in our Book Fair, heard the fifth graders play the Alma Mater and shared in refreshments. We partnered with the South Carolina Governor's School of Math and Science for an after school robotics program for interested fifth graders. Twelve students participated and loved the excitement of making robots and working with the students from the governor's school. Our "MATH MATTERS" parent night was held in March with interactive activities in math for parents and students. Clemson Extension 4-H Youth and Development, in collaboration with local businesses, helped us establish a butterfly garden in our front yard which is cared for by our students.

Technology: Teachers are using IPAD's as instructional tools. This summer, four of our teachers will be trained for one to one computer learning in their classrooms. Teachers are using multi-media resources for large and small group instruction. Mrs. Matthews, our art teacher, in partnership with Dale Johnson, our technology administrator, combined technology and art through computer graphics with the fifth grade classes.
